Hello

We just \_\_\_\_\_  
\_\_\_\_\_ for your neighbor  
at \_\_\_\_\_

While we are in the area we make it a point to look for needed maintenance that might be overlooked by homeowners. Often homeowners aren't aware of areas that need maintenance; and even when they are aware, they don't always know who to call for quality products and reliable workmanship.

Josh Tirey has a reputation for quality and reliability. Did you know that Josh Tirey provides:
